

**LIFESTYLE CONCIERGE  
IS YOUR KEY TO PEACE  
OF MIND IN A WORLD NOT  
JUST OF CHOICES, BUT  
ALSO OF CONDITIONS —  
CONDITIONS LIKE TIME . . .  
AND MONEY.**

When time is money, you don't want to spend it doing errands, walking the dog, or calling ten contractors (all of whom are booked for the next six months). You need help with your grocery shopping and event planning, your computer meltdown or theater tickets. One call to a friendly LifeStyle Concierge representative can allow you to do what you do best: be yourself.

LifeStyle Concierge clients are able to select from a host of services that include picking up dry cleaning, running errands, residential and small business computer services, managing catered private and business lunches, personal shopping, business referrals, and ordering dinner... to name a few. LifeStyle Concierge can buy your groceries, make your travel arrangements and engage a courier. Now instead of making 20 calls, you need only one. LifeStyle Concierge employees are equipped to help clients manage some of those nagging "to-do's" in their lives. And, for people who have recently located to the area, LifeStyle Concierge can save time by helping them find appropriate providers of various services.

We are fully bonded and insured!
